

BRINE-TANK

ANCHOR-POINT™ LUGS

Four hefty built-in lifting and tie-down points at each corner make it easy to handle.

STRONG-X™ ROOF DESIGN

The beefed-up roof structure with molded-in truss-like supports eliminates collapsing.

CORODE-PROOF™ MATERIAL

Built with salt brine compliant material, this tank will keep the brine pure.

RIBBED-WALL™ STRUCTURE

The ribs act like belts around the tank keeping it in shape. This reduces bulging.

SINGLE-PIECE™ CONSTRUCTION

Rotationally-molded in a single mold means the tank is seamless, water-tight and leak-proof.

RECIRCULATION FITTING

Keep the liquid circulating.

RUST-ARMOUR™ FITTINGS

No rust. No corrosion. This guarantees years of unmatched service.

*Double your 5 yr tank warranty when you register this product. See page 23.
*All Enduraplas poly tanks are manufactured in the United States of America.
